15-18 June 2017 WALKERS BETWEEN WORLDS with Caitlín Matthews in Melbourne, Australia. This foundation course in Celtic and Ancestral Shamanism is the first of a series in an on-going programme, designed to provide essential grounding in practical shamanic training. As experience and trust deepen, so the forms and contacts evolve. Understanding of shamanism assimilates through practice, prayer and life experience, for a sustained spiritual life is what underlies shamanic service. Homework will be given, and some supervision and support will be offered via skype, until this training continues next year. Since it is our spirits who are our teachers, there are no certificates at the end of this training: as William S. Lyon writes: 'you never graduate from learning the art of shamanism.' Caitlín will be returning in following years to continue this training. **Venue** Eltham Gateway Conference Centre 1339 Main Road, Eltham Vic 3095. Tel: 03 9431 1666. **Registration:** Linda Henery, linda.henery@optusnet.com.au Tel: +61 407 829615

Cáit Branigan is an ordained Priestess Hierophant, a Bean Feasa (Shamanic Practitioner) and healer working within the Irish tradition. She teaches groups and conducts ceremonies, teaching internationally. She teaches regularly on the Walkers Between Worlds curriculum.

Many homes are affected by intrusive energies, environmental residues or unresolved ancestral issues, which impact upon our health. The skill to bring healing to the hearth is taught by experienced practitioner, Cáit Branigan, who has been professionally healing land and homes around Ireland for 20 years. Using shamanic journeying, meditation and hands-on practice, we will explore the core elements of house-clearing, learning to deal with dragon lines, underground streams, clearing of blocked energies and hauntings, to bring blessing to the home. Participants should have sources of strong inner guidance for this course. Bring dowsing rods and pendulum.

We don't require that you take the full curriculum without a break, as we know that life happens! This way you can work your way through the levels in order, in real time, rather than in serial time.
